2025-2026

ANNUAL REPORT

Two-Day Microbiology Teachers Workshop and Book Launch on 23rd July 2025.

The Department of Microbiology, Nizam College, successfully organized a Two-Day Microbiology Teachers Workshop and Book Launch on 23rd July 2025. The workshop served as an academic platform for teachers, research scholars, and students to exchange knowledge on recent developments in microbiology and modern teaching methodologies. Experts from various institutions shared their valuable insights on emerging trends in microbiological research and laboratory practices. The programme also included the launch of an academic book aimed at strengthening subject knowledge and research orientation among students and faculty members. The event witnessed enthusiastic participation and contributed significantly to academic enrichment.

Medical Camp organized by NSS on 10th August 2025.

The NSS Units of Nizam College organized a Medical Camp on 10th August 2025 with the objective of promoting health awareness and preventive healthcare among students and staff members. Medical professionals conducted basic health check-ups and provided guidance on maintaining a healthy lifestyle, balanced nutrition, and disease prevention. The programme created awareness about the importance of regular health monitoring and encouraged students to prioritize physical and mental well-being. A large number of students actively participated and benefited from the camp.

Anti-Drug Awareness Campaign on 13th August 2025

NSS students of Nizam College organized an Anti-Drug Awareness Campaign on 13th August 2025 to create awareness about the harmful effects of drug abuse and to promote a healthy, drug-free lifestyle among youth.

The programme witnessed active participation from NSS volunteers, students, and faculty members, who took part in an awareness rally carrying placards and spreading the message “Say No to Drugs.” Prof. Ch. Srinivas, Principal, and faculty members encouraged students to uphold social responsibility and contribute towards building a healthier society.

Ganesh Idol Making on 26th August 2025

A Ganesh Idol Making Programme was organized on 26th August 2025 by LCC, Nizam College encouraging students to prepare eco-friendly Ganesh idols using natural materials. The activity aimed to spread awareness about environmental conservation and sustainable celebration practices during the Ganesh Festival. Students enthusiastically participated in the hands-on activity and learned the importance of reducing pollution caused by chemical-based idols. The programme successfully combined creativity, cultural traditions, and environmental responsibility.

Alumni Meet in collaboration with Osmania Alumni Association on 1st September 2025.

Nizam College, in collaboration with the Osmania Alumni Association, successfully organized an Alumni Meet on 1st September 2025. The event brought together alumni from different batches who shared their experiences, achievements, and memories associated with the institution. The programme strengthened the bond between alumni and the college while inspiring current students through interaction with former students who have excelled in various professional fields. The meet provided a platform for networking, collaboration, and strengthening institutional relationships.

Seed Ball making Programme in collaboration with OYSTER on 15th September 2025.

A Seed Ball Making Programme was organized by Oyster on 15th September 2025 at Nizam College to promote environmental awareness and ecological sustainability. Students actively participated in preparing seed balls and learned about their importance in increasing green cover and restoring ecological balance. The programme encouraged youth participation in environmental conservation activities and motivated students to contribute towards creating a greener and healthier environment for future generations.

Clean Campus Programme on 20th September 2025.

Nizam College, in collaboration with NSS, organized a Clean Campus Programme on 20th September 2025 to promote cleanliness, hygiene, and environmental responsibility among students. NSS volunteers and students actively participated in cleaning the campus premises and spreading awareness about maintaining a clean and healthy environment. The programme reflected the spirit of social responsibility and inspired students to adopt cleanliness as an essential part of daily life.
